

SPRING SUMMER 2014

Designers and makers of beautiful things

OUR SUNNIEST CATALOGUE YET, CELEBRATE OUR TENTH BIRTHDAY

Ten years ago I attended my first show as 'Poppy Treffry - designer maker' and now here I am with a team of lovely staff, my own shop in St Ives and over 150 stockists around the world, phew!

Our Spring and Summer catalogue is a celebration of our range, new and old, and of a good old fashioned Cornish Seaside holiday, thanks to Mousehole for providing such a stunning backdrop and thanks to you for having a browse!
